FIRST INSURANCE COMPANY OF HAWAII HIRES RANDALL ISAKI AS INFORMATION TECHNOLOGY SOLUTIONS DIRECTOR

HONOLULU – Randall Isaki has joined First Insurance Company of Hawaii as information technology solutions director. He will manage the IT systems group, where he will be responsible for overseeing Systems Engineering, E-Business Application Development, Systems Operations and Production and the IT Help Desk.

Isaki brings more than 20 years of information technology management experience to First Insurance. He previously worked at the technology consulting firm CGI-AMS, where he oversaw the implementation of several multimillion dollar systems for the City and County of Honolulu and the state of Hawaii. His past experience also includes running his own IT consulting firm, managing the IT department of Sprint/Long Distance USA, and building the IT back-office infrastructure for Pihana Pacific's (now Equinix Inc.) Internet data center 11 locations throughout the Asia, Hawaii and the mainland.

“We are extremely fortunate to have Randall joining our team in the IT leadership position,” said Allen Uyeda, president and CEO of First Insurance Company of Hawaii. “His strengths are integral to responding to the rapidly changing needs of our customers.”
