

A LAPTOP WITH LEGS...?

NOW WITH
identity theft
& data breach
services

When a laptop disappeared from Renee the CPA's downtown office right before tax time... she was worried that it had been stolen.

Her First Insurance claims adjuster called an IT technician, who confirmed unauthorized access and computer fraud on her network, shutting down all business operations.

Thanks to her 1st Choice Businessowners Policy* from First Insurance Company of Hawaii...

*with Businessowners
Advantage Endorsement

**Insure your small business
under our tree.**

Designed specifically for the small- to medium-sized businessowner in Hawaii, the 1st Choice Businessowners Policy* from First Insurance is a single, convenient package to manage most of your property and liability exposures.

Providing coverage for everything from fire to theft, liability to employee dishonesty – and much more – 1st Choice is the smart choice for small businesses in Hawaii. And 1st Choice can be customized to meet your specific requirements, including our 1st Choice Businessowners Advantage Endorsement for loss of electronic data, interruption of computer operations or dependent property business income, and more.

Contact your independent insurance agent to see if you would benefit from a First Insurance 1st Choice Businessowners Policy, or visit www.ficoh.com to find out more.

And ask your agent about the full range of First Insurance property, casualty and workers compensation insurance products to help protect your business.

First Insurance Company of Hawaii is the first local insurer to provide businesses with free identity theft coverage, giving you unlimited access to a fraud specialist to help safeguard your business' future.

A valuable addition to your 1st Choice Businessowners Policy, powered by
